

Create Happy, Harmonious Homes (and Better Businesses, Too)

With over 40 million lawsuits litigated annually and the third highest divorce rate in the world, Americans clearly have trouble getting along. But according to Dr. Vicki Matthews, a Naturopathic Physician and Relationship Coach, it doesn't need to be that way. Dr. Matthews has pioneered a system that not only accurately predicts the highs and lows in every relationship, it also provides easy ways to address any troubled connection. Using her system, we can get along better with anyone, anytime, anyplace. Let Dr. Vicki Matthews show your audience how!

DR. VICKI MATTHEWS is a Naturopathic Physician and Relationship Coach. She has been a guest on Oprah's show twice as well as featured in print and on radio and podcasts. In addition to her medical degree, Dr. Matthews also has a degree in psychology and an MBA in Marketing and Consumer Behavior from the University of Chicago Booth School of Business. She is the author of the book, *The Five Elements of Relationships: How to Get Along with Anyone, Anytime, Anyplace*.
